

Fairness evidence and reflection

Learning goal: Reflect on fairness and evidence skills for UAS.

Words to use

Word	Meaning
fairness	Giving people a fair chance and meeting needs
care	Acting to help with a need
right	A basic entitlement held by people
responsibility	Something we should take care to do

Remember

What could make the timetable accessible? An audio, enlarged or clearly structured version, chosen according to need.

Does collecting work automatically meet a UAS unit? No. The centre must match it to the exact selected unit and criteria.

How to show your learning

Respond independently to the timetable scenario with an action and reason.

I would ___ because ___. This work shows ___. My improvement is ___.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
