Preparation

Use calm transition; explain reflection is not worship; provide regulated seating/quiet space; allow students to opt for a neutral community example.

Access and regulation

Quiet task may be drawing rather than writing; sensory-safe alternative to silence; symbol/word bank; no personal disclosure.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.

Assessment

Use questioning and the exit response to decide the next step. Record the learner's individual contribution and the access support used.

UAS: no approved unit code is supplied. Match the learner's evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.
