A big question / BUILD_RE_A2_W06

Outcome: Give a simple response to a big question using one reason.

Evidence to retain: F: one 'I think... because...' response.

Forty minute route

Arrival 4 min; starter 3; model 6; shared task 7; check 2; independent 12; review 3; exit 3.
Pause time is flexible.

Preparation

Choose one independent route. Print the evidence and shared cards, required visual or data sheet, route worksheet and exit. The organiser is one separate A4 page. Keep answers with staff.

No cold calling; accept 'depends' with a reason; keep discussion respectful; rephrase abstract questions into concrete examples.

Access and regulation

2-choice or 3-choice questions; verbal response; sentence stem; picture prompts; no need to state personal religious belief.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.

Assessment

Use questioning and the exit response to decide the next step. Record the learner's individual contribution and the access support used.

UAS: no approved unit code is supplied. Match the learner's evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.

Model and answers

Read these pages before teaching. Hide the model during independent assessment.

Which word joins an answer to its reason? Because.

Does a big question have only one right answer? No. It has more than one good answer.

Teaching and evidence record

Supplied scheme of work teaching sequence: Arrival: 4 retrieval questions. Starter: choose between two simple answers to a big question, e.g. 'What makes something special?' I Do: model answer + reason. We Do: improve a weak answer together. You Do: choose one big question and respond using 'I think... because...' or a picture/choice response. Exit ticket: say or select one reason.

Look for

F: one 'I think... because...' response.

Accept accurate equivalents, including speech or exact scribing. Check the concept and use of evidence rather than length or handwriting. Record access support separately from content prompting.

BUILD: a concrete example with a reason or demonstrated action. GROW: explain or compare with a relevant detail. LAUNCH: connect evidence and reasoning; use a limitation when the outcome requires it. Keep RE responses non-GCSE.

Media

Original captioned teaching model made for this pack. It demonstrates the supplied reasoning; it is not historical footage, survivor testimony or a documentary. The full transcript and factual source credits are included.

Use manual steps for a calm pace. The silent MP4 has visible captions and a matching text transcript. External archive media is optional and should be previewed before class.
