

Festival reflection and UAS evidence

Learning goal: Make a simple festival reflection page showing what I have learned.

Words to use

Word	Meaning
reflection	Looking back at what you have learned
evidence	Work that shows what you know or can do
symbol	Something that stands for an idea
meaning	What something stands for or why it matters

Remember

Name one festival symbol and its meaning. For example: a diya stands for hope and good overcoming evil.

What makes evidence strong? It is your own work, it is accurate and you can explain it.

How to show your learning

Add a festival symbol and one meaning.

My symbol is _____. It means _____. I showed respect by _____. I learned _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.
