

Beliefs and worldviews in our community

Learning goal: Identify different beliefs and worldviews in our community.

Words to use

Word	Meaning
religion	An organised set of beliefs, practices and community
worldview	The way a person sees life and what matters
religious	Following a religion
non-religious	Not following a religion, but still holding beliefs and values

Remember

Name two different worldviews found in Britain. Any two, for example Christianity and Humanism.

Does a non-religious person have beliefs and values? Yes. Everyone has a worldview, religious or not.

How to show your learning

Place the three fictional profiles on the community map.

One worldview in our community is _____. A clue is _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.
