

How beliefs shape identity

Learning goal: Describe one way beliefs can shape a person's identity.

Words to use

Word	Meaning
identity	Who a person is and how they see themselves
influence	To have an effect on something
value	Something a person thinks is important in how to live
choice	A decision between options

Remember

What value does Imran's belief lead to? Generosity: caring for those in need.

Is belief the only thing that shapes identity? No. Family, friends, place and culture also shape identity.

How to show your learning

Choose one profile.

Belief can shape identity by ____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.
