

Questions for a faith or belief visitor

Learning goal: Ask or answer a respectful question and record one thing learned from a faith or belief visitor.

Words to use

Word	Meaning
lived experience	What life is really like for a person
respectful question	A question that is curious and kind
open question	A question that needs more than yes or no
boundary	A limit that keeps people comfortable and safe

Remember

Give one respectful question stem. For example: "What does ____ mean to you?"

Does one visitor speak for everyone who shares their worldview? No. They speak from their own lived experience.

How to show your learning

Ask or write one respectful question.

I learned that _____. One question I still have is _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.
