

## **Teacher card**

Questions for a faith or belief visitor / GROW\_RE\_A2\_W05

Outcome: Ask or answer a respectful question and record one thing learned from a faith or belief visitor.

Evidence to retain: F: one answer recorded and one thing learned.

## **Forty minute route**

Arrival 4 min; starter 3; model 6; shared task 7; check 2; independent 12; review 3; exit 3. Pause time is flexible.

## **Preparation**

Choose one independent route. Print the evidence and shared cards, required visual or data sheet, route worksheet and exit. The organiser is one separate A4 page. Keep answers with staff.

Brief visitor on student needs; screen questions sensitively; prepare students for different viewpoints; use recorded alternative if visit is not possible.

## **Access and regulation**

Option not to ask aloud; pre-written questions; scribe; audio source replay; visual note prompts; reduced writing.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.

## **Assessment**

Use questioning and the exit response to decide the next step. Record the learner's individual contribution and the access support used.

UAS: no approved unit code is supplied. Match the learner's evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.

## Model and answers

Read these pages before teaching. Hide the model during independent assessment.

Question: Give one respectful question stem.

Evidence: A Good questions: “What does a normal week look like for you?” “Which festival means most to you, and why?” Open, curious and about the person’s own experience.

Think aloud: For example: “What does \_\_\_ mean to you?”

Check: Does one visitor speak for everyone who shares their worldview? No. They speak from their own lived experience.

## Arrival answers

1. For example: “I see your point, but...”.
2. What life is really like for a person
3. For example: “What does \_\_\_ mean to you?”
4. No. They speak from their own lived experience.

## Shared activity reasoning

1. “What do you believe happens when we die?” — Belief. It asks what the person holds to be true.
2. “What do you do on a special day?” — Practice. It asks what the person does.
3. “Who do you celebrate with?” — Community. It asks who they share it with.

## Exit responses

Give one respectful question stem. For example: “What does \_\_\_ mean to you?”

Does one visitor speak for everyone who shares their worldview? No. They speak from their own lived experience.

## Teaching and evidence record

Supplied scheme of work teaching sequence: Arrival: 4 retrieval questions. Starter: good question / poor question sort. I Do: model respectful question forms and boundaries. We Do: prepare class questions linked to belief, practice and community. You Do: during/after the visitor, record one answer and one thing learned; if no live visitor, use a recorded or written lived-experience source. Exit ticket: one respectful question stem.

## Look for

F: one answer recorded and one thing learned.

Accept accurate equivalents, including speech or exact scribing. Check the concept and use of evidence rather than length or handwriting. Record access support separately from content prompting.

BUILD: a concrete example with a reason or demonstrated action. GROW: explain or compare with a relevant detail. LAUNCH: connect evidence and reasoning; use a limitation when the outcome requires it. Keep RE responses non-GCSE.

## Media

Original captioned teaching model made for this pack. It demonstrates the supplied reasoning; it is not historical footage, survivor testimony or a documentary. The full transcript and factual source credits are included.

Use manual steps for a calm pace. The silent MP4 has visible captions and a matching text transcript. External archive media is optional and should be previewed before class.

## Source credits
