Preparation

Choose one independent route. Print the evidence and shared cards, required visual or data sheet, route worksheet and exit. The organiser is one separate A4 page. Keep answers with staff.

Pre-teach vocabulary; avoid overgeneralising with 'all'; . model 'some/many/this person'; check comprehension before comparison.

Access and regulation

Reduced two-source set; visual symbols; colour-coded similarities/differences; sentence frames; adult reading; verbal response accepted.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.

Assessment

Use questioning and the exit response to decide the next step. Record the learner's individual contribution and the access support used.

UAS: no approved unit code is supplied. Match the learner's evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.

Question: Name one belief from each worldview.

Evidence: A Christianity: key beliefs: Christians believe in one God, understood as Trinity. They believe Jesus is the Son of God, and that his teaching and example show how to live. Most believe in life after death. B Humanism: key beliefs: Humanists do not believe in a god. They hold that this life is the only one we have, that reason and evidence are the best guides, and that people can live good lives without religion.

Think aloud: For example: Christians believe in God as Trinity; Humanists believe this is our only life.

Check: Do all Christians believe exactly the same things? No. Use “some”, “many” or “most”.
