A structured “explain” response / LAUNCH_RE_A1_W05

Outcome: Write or give a structured explanation using a point, evidence/example and explanation.

Evidence to retain: F: one explain answer using point, evidence/example and explanation.

Forty minute route

Arrival 4 min; starter 3; model 6; shared task 7; check 2; independent 12; review 3; exit 3.
Pause time is flexible.

Preparation

Choose one independent route. Print the evidence and shared cards, required visual or data sheet, route worksheet and exit. The organiser is one separate A4 page. Keep answers with staff.

Chunk one sentence at a time; model aloud; adult checks point before evidence; do not turn this into GCSE-style extended writing unless appropriate.

Access and regulation

Sentence stems; colour-coded model; oral-first option; scribe/typing; reduced response target; MCQ evidence bank.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.

Assessment

Use questioning and the exit response to decide the next step. Record the learner’s individual contribution and the access support used.

UAS: no approved unit code is supplied. Match the learner’s evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.

Model and answers

Read these pages before teaching. Hide the model during independent assessment.

Question: In the model answer, which sentence is the evidence?

Evidence: C A model explanation: "A belief can influence a person's work. For example, Daniel believes everyone deserves dignity. Therefore he chose care work, because it lets him act on that belief."

Think aloud: "For example, Daniel believes everyone deserves dignity."

Check: Is a list the same as an explanation? No. An explanation says how or why.

Arrival answers

1. For example, peace, welcome or dialogue.
2. A clear answer to the question
3. "For example, Daniel believes everyone deserves dignity."
4. No. An explanation says how or why.

Shared activity reasoning

1. Humanists are nice and do good things. — Humanists try to live good lives without religion. For example, Priya gives blood. This shows her belief that this one life should be useful.. It now has a point, an example and an explanation.
2. The Day of Peace is about peace. — The Day of Peace brings people together around a shared value. For example, a mosque open day lets neighbours meet. Therefore understanding grows and conflict is less likely.. "Therefore" links the evidence to the point.

Exit responses

In the model answer, which sentence is the evidence? "For example, Daniel believes everyone deserves dignity."

Is a list the same as an explanation? No. An explanation says how or why.

Teaching and evidence record

Supplied scheme of work teaching sequence: Arrival: 4 retrieval questions on key Autumn 1 vocabulary. Starter: which answer explains rather than lists? I Do: model a short PEEL-style RE explanation. We Do: improve a weak response together using colour coding. You Do: answer one accessible explain question from Weeks 1-4 using a scaffold. Exit ticket: identify the evidence/example in a model answer.

Look for

F: one explain answer using point, evidence/example and explanation.

Accept accurate equivalents, including speech or exact scribing. Check the concept and use of evidence rather than length or handwriting. Record access support separately from content prompting.

BUILD: a concrete example with a reason or demonstrated action. GROW: explain or compare with a relevant detail. LAUNCH: connect evidence and reasoning; use a limitation when the outcome requires it. Keep RE responses non-GCSE.

Media

Original captioned teaching model made for this pack. It demonstrates the supplied reasoning; it is not historical footage, survivor testimony or a documentary. The full transcript and factual source credits are included.

Use manual steps for a calm pace. The silent MP4 has visible captions and a matching text transcript. External archive media is optional and should be previewed before class.
