

Remembrance and peace across beliefs

Learning goal: Compare how two worldviews may respond to remembrance or peace.

Words to use

Word	Meaning
remembrance	Taking time to remember people and events
reflection	Quiet thinking about something that matters
compare	To look for similarities and differences
memorial	Something made to help people remember

Remember

Give one similarity or difference between the two responses. For example: both keep silence, but only the Christian source prays.

Is classroom reflection the same as worship? No. It is quiet thinking.

How to show your learning

Complete a short comparison of the two responses.

Both _____. However, _____ whereas _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.
