Rites of passage and community / LAUNCH_RE_A2_W03

Outcome: Describe a rite of passage and explain how it can connect a person to a community.

Evidence to retain: F: "What happens? What does it mean? How does it show belonging?" task.

Forty minute route

Arrival 4 min; starter 3; model 6; shared task 7; check 2; independent 12; review 3; exit 3. Pause time is flexible.

Preparation

Choose one independent route. Print the evidence and shared cards, required visual or data sheet, route worksheet and exit. The organiser is one separate A4 page. Keep answers with staff.

Keep discussion third-person; model respectful comparison; prompt meaning after identifying what happens.

Access and regulation

Visual life-stage sequence; simplified case studies; matching before writing; sentence starters; avoid asking about students' own family ceremonies.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.

Assessment

Use questioning and the exit response to decide the next step. Record the learner's individual contribution and the access support used.

UAS: no approved unit code is supplied. Match the learner's evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.

Read these pages before teaching. Hide the model during independent assessment.

BUILD: a concrete example with a reason or demonstrated action. GROW: explain or compare with a relevant detail. LAUNCH: connect evidence and reasoning; use a limitation when the outcome requires it. Keep RE responses non-GCSE.
