Evidence cards

Read, point or listen. Keep the source label with any detail you use.

A A Christian teaching

“Do to others as you would have them do to you.” Often called the Golden Rule.

Source: Authored summary; Luke 6:31

Limit: The Golden Rule appears in many worldviews in different words.

B A Humanist principle

Think about the consequences for everyone affected, and use empathy: how would it feel to be them?

Source: Authored summary of Humanist ethics

Limit: Humanists weigh principles differently.

C The dilemma

Fictional case: Sam finds a wallet with £40 and a bank card outside the shop. Nobody saw. Sam is short of money this week.

Source: Authored classroom case

Limit: This example does not describe every person, family or community.

D People differ

Two people who share a worldview may decide differently. Describing a teaching is not the same as agreeing with it.

Source: Authored classroom rules

Limit: We describe and apply. We do not judge people.

Shared investigation

1. Apply each principle to Sam's dilemma.
2. Decide whether each response fits the principle.

Work with a partner or adult, or use your own table. One person suggests; the other checks the evidence. Swap after one turn. Passing is allowed.

Move or match the cards

Cards to use
Hand it in, because the owner may be worse off than Sam
Keep it, because nobody saw
Hand the wallet in, as Sam would want if it were his

Possible labels: Does not fit / Fits consequences and empathy / Fits the Golden Rule
