The lower left lamp is the same as the top one.

Arrival · Supported

Is a festival a special time or a thing you can hold?

A festival is a special time.

Arrival · Supported

What should we do before we touch a borrowed lamp?

Ask first.

Arrival · Supported

Can a shape tell us all we need to know?

No. Use a card or ask someone who knows.

Arrival · Independent

Point to the picture that matches the top one.

The lower left lamp is the same as the top one.

Arrival · Independent

What does festival mean?

A special time to mark or remember something.

Made by Matt

Arrival · Independent

What should we do before handling a borrowed object?

Ask the owner and follow their rule.

Arrival · Independent

Can shape tell us what a lamp means?

Shape gives a clue. A source helps us check.

Arrival · Aspire

Point to the picture that matches the top one.

The lower left lamp is the same as the top one.

Arrival · Aspire

Name one use of lights at a festival.

For example, lights can help people remember.

Arrival · Aspire

How can we look with care?

Ask first and follow the rule. Use an unlit copy or drawing.

Arrival · Aspire

What can a card tell you that a shape cannot?

It can say when and why people use the lamp.

Made by Matt

Starter

What feature do both objects share?

Both hold a light.

Starter

What can you see on the diya?

It has a bowl shape.

Starter

What can you see on the hanukkiah?

It has eight festival lights and a helper light.

Starter

Which card can help you check their use?

Card O tells us how the lamps link to festivals.

I do · 1

What can I see?

A small bowl shape on the diya.

I do · 1

What can I point to on the other lamp?

The raised helper light.

Made by Matt

I do · 2

What do I do before I touch?

Ask the owner and follow their rule.

I do · 2

What if I cannot touch it?

Use a drawing or an unlit copy.

I do · 3

What does card O say about the diya?

It is a small lamp used at Diwali.

I do · 3

What does card O say about the hanukkiah?

People use it at Hanukkah.

I do · 4

Does the shape tell me all of its meaning?

No. Use a card or ask someone who knows.

I do · 4

What could I say with care?

I can see a bowl shape. Card O says the diya is used at Diwali.

Made by Matt

Teacher answers · We do

We do

What can you see on the diya?

A bowl shape.

We do

What can you see on the hanukkiah?

Eight places for lights and a helper light.

We do

What does card O help us match?

Diya to Diwali, hanukkiah to Hanukkah.

We do

What rule keeps an object safe?

Ask before you touch.

We do

What could you ask that a drawing cannot tell you?

You could ask why a person uses this lamp or what it means to them.

We do decision checkpoint

Which choice shows care?

Ask first. Follow the owner’s rule.

Made by Matt

We do decision checkpoint

How can we still learn if we cannot touch it?

Look at a drawing or unlit copy. Check card O or ask someone who knows.

Made by Matt

Teacher answers · You do

You do · Supported

Check one thing you can see.

A bowl shape or a raised light is a detail you can point to.

You do · Supported

Check what it is for.

Use card O: diya at Diwali, hanukkiah at Hanukkah.

You do · Independent

Check your detail and card clue.

Point to a detail, then say what the card tells you about its use.

You do · Independent

Check your question.

Ask about a use or meaning that a shape cannot show.

You do · Aspire

Check what you saw.

A bowl shape or raised light is a visible detail.

You do · Aspire

Check what you think it means.

Use card D, H or O for a clue. Say what you still need to find out.

Made by Matt

You do · Choice

Check the part you showed.

Use a part you can point to in the drawing.

You do · Choice

Check the use and question.

Use card O for the match. Ask one thing you still want to know.

Made by Matt

Review and improve

Is this a thing I can see?

Point to the part in the drawing.

Review and improve

Is this a use I can check?

Give the card label.

Review and improve

Can I improve one word?

Check the card. Edit in the same colour, on the same page.

Exit · Supported

What do we do before we touch a borrowed lamp?

Ask first.

Exit · Supported

Can shape tell us all we need to know?

No. Check a card or ask someone who knows.

Exit · Independent

What rule should we follow with a borrowed object?

Ask first and follow the owner’s rule.

Made by Matt

Exit · Independent

Why do we use a source as well as looking?

A source can tell us the use or meaning. The shape gives a clue.

Exit · Aspire

How can we show care and still learn?

Ask first. If needed use a drawing or unlit copy.

Exit · Aspire

Give a visible detail and say what you would check.

For example, the bowl shape is visible. Check the source to learn its use.

Exit · Choice

Show or tell one rule for a borrowed object.

Accept ask first or follow the owner’s rule.

Exit · Choice

Show how to check what it is for.

Use the card or ask someone who knows.
