Aspire tier pack

Today I can Read a four-figure grid reference and follow a route.

Humanities · GROW · Autumn 2 · Week 2 · HUM-GROW-A2-W02

Knowledge organiser

Read a four-figure grid reference and follow a route.

The park is in square 1122. It shows a square. It does not show one exact point.

Tier	Word	Meaning
Tier 2	settlement	A place where people live
Tier 2	urbanisation	Growth in the share of people living in urban places
Tier 2	land use	What land is used for
Tier 2	GIS	Mapping information in separate data layers

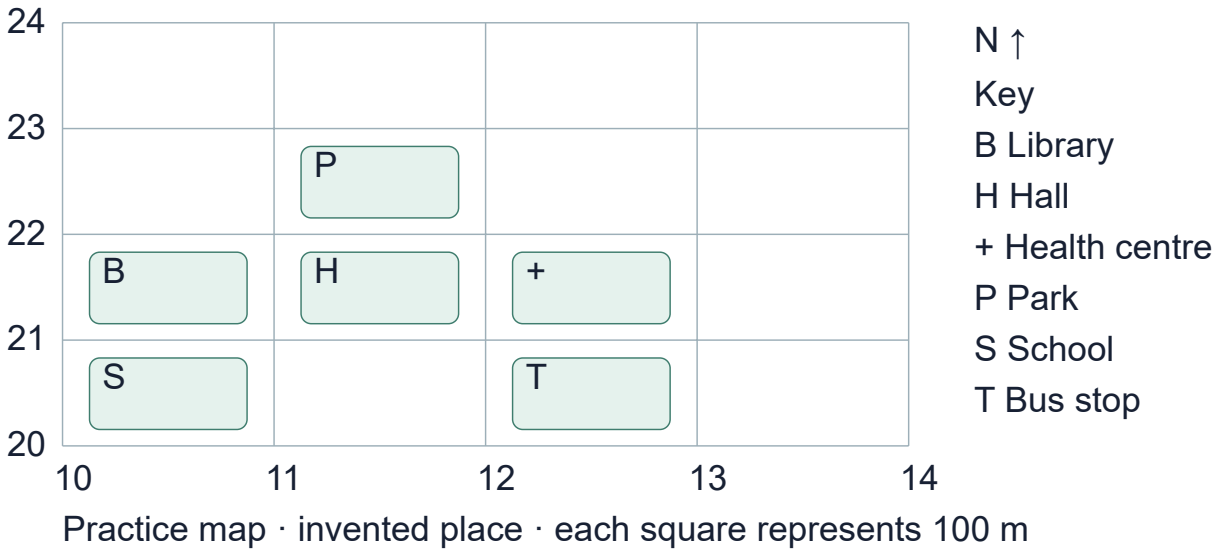

Read ____ across. Read ____ up. The square is ____.

Practice grid and key

Practice map · invented place · each square represents 100 m

A four-by-four grid with eastings 10 to 14 and northings 20 to 24, with labelled feature symbols. The key identifies the library, hall, health centre, park, school and bus stop.

Use the key and north arrow. Check where each square starts.

Evidence cards A and B

A · Local reference points

The main railway station and the local bridge are reference points on our digital map. Toggle layers to examine their positions. the civic building lies beyond this map’s southern boundary.

These points alone cannot show population density or prove why development happened.

B · Reasons places grow

Work, transport and services can attract people and businesses. A growing town may need more homes and infrastructure. Population growth can also occur within existing settlements.

A reason is a hypothesis until tested against evidence for a particular place.

Humanities · GROW · Autumn 2 · Week 2 · HUM-GROW-A2-W02

Evidence cards C and D

C · Practice land-use sample

Fictional practice tally: shops 8, homes 12, public services 4, green spaces 6. This is training data only. Replace it with your labelled observations for the fieldwork enquiry.

This example does not describe every person or place.

D · Contrasting reference place

Compare a small centre such as the smaller centre with the larger centre at comparable map scales. Record the area, source and observation round.

One sampled street does not represent a whole settlement.

Humanities · GROW · Autumn 2 · Week 2 · HUM-GROW-A2-W02

Shared investigation

Read eastings before northings on the practice grid. Set a partner a location challenge. Take a turn to suggest a match, then check the evidence.

1. What is the hall’s grid reference?
2. Where is the park from the hall?
3. How do you check the route?

Evidence or step	Check
What is the hall’s grid reference?	Add your answer or card clue.
Where is the park from the hall?	Add your answer or card clue.
How do you check the route?	Add your answer or card clue.

Our explanation

Optional · respond to feedback together

Optional: show one grid clue to an adult. Hear one piece of feedback. Reply with a change, a reason to keep it or a request for help.

My response or improvement

We do decision checkpoint

A pupil says the park is in 2211. What should they change?

1. Read across first, then up
2. Read up first, then across
3. Use the closest label

My claim and clue

Worked model

Ask the question

The park is in square 1122. Use card A. Read 11 across. Read 22 up. Put them together: 1122.

Find the evidence

Read 11 across. Read 22 up. Put them together: 1122. The first pair shows the column. The last pair shows the row.

Explain the link

Start at the left of the square. Then read its bottom line. Read ____ across. Read ____ up. The square is ____.

Check what we know

It shows a square. It does not show one exact point. A grid reference shows the square. A key tells you what the symbol means.

Arrival · Aspire

1. Point to the picture that matches the top one.

2. Use settlement in an accurate example.

Ready to learn?

- Green · Ready
- Amber · Help
- Red · Pause

You may point, choose or pass.

3. What is the park’s four-figure reference on the practice grid? Which detail supports your answer?

4. What does a four-figure reference identify?

Point, speak, sign, draw, write or choose. You may pass. An adult may note your own words or choice.

You do · Aspire

Staff mark I · S · C beside the task.

1. Start in your book. Use the supplied grid to find three places.
2. Give a four-figure reference and a direction between two places.
3. Complete one new location question independently.
4. Use tenths within a square to describe a more precise location and explain the extra detail.

I will know I have done this when I check my route and explain one limit of the grid.

Word bank: settlement · urbanisation · land use · GIS.

My example and card detail

My reason and check

Point, speak, sign, draw, write or choose. You may pass. An adult may note your own words or choice.

Review and exit · Aspire

Edit in the same colour, on the same page.

What is the park’s grid reference? Use one clue.

What does a four-figure reference show?

Point, speak, sign, draw, write or choose. You may pass. An adult may note your own words or choice.

Explain one idea in your own words.

Check a source. Show what it says about your idea.

Pupil voice

What helped you most today, or what would you change next time?
