Comparing belief and celebration

Humanities · GROW · Autumn 2 · Week 5 · HUM-GROW-A2-W05

Staff card

Staff print card

3 November 2026

Invite a response. Give thinking time. The learner may pass.

Arrival regulation check: Green · Ready, Amber · Help, Red · Pause. Say the words as well as showing the colours. Invite a response and allow a pass.

Code	Meaning
VF	Verbal feedback
WS	Worked with support
I	Independent
NS + …	Next step
E	Evidence captured
R	Pupil responded to feedback
//	Self-edit point
?	Read this back to me

At check-out, record E for … against the pupil's target.

Mark R only after the pupil has responded to feedback with an adult.

Return-to-learning route for this lesson: after a pause, rejoin Supported with cards D and H and one shared feature.

Soft instrumental music for transitions if the class plan says so

Sound is off by default.

Pupils edit in the same colour, on the same page.

Made by Matt

Humanities · GROW · Autumn 2 · Week 5 · HUM-GROW-A2-W05

P17 · SLT planning and evaluation

Compare how two communities celebrate with an RE link.

Stage	Minutes
Arrival including opening	4
Starter	3
I do	6
We do shared investigation	7
We do decision checkpoint	2
You do	12
Review and improve	3
Exit ticket	3

Planned adaptations

Need	Plan
Read or sequence	Use one card and one short instruction.
Communicate	Allow a private point, sign, spoken answer or exact scribing.
Pause and return	Return-to-learning route for this lesson: after a pause, rejoin Supported with cards D and H and one shared feature.
Access the drawing	Use the larger view or describe the marked features.

Catch-up embedded this lesson: revisit one light example in Starter before comparing both accounts in We do.

If behind

Keep one model clue, one shared check, the checkpoint, a book response and the exit. Shorten repeated practice.

Staff evaluation

Evidence, adaptation and next teaching move

Made by Matt

P18 · Individual target opportunities

Use the learner’s actual agreed target.

Opportunity	Evidence	Actual support
Find a clue	Select a card detail.	_____
Explain	Link evidence to the answer.	_____
Check	Keep or revise one detail.	_____
Regulate	Use a pause or a private response.	_____

The teacher models one step. A second adult, if available, reads a card or records the exact response. With one adult, set out the card and return for the pupil’s reason.

Give time, point to a clue, ask a short question, then offer a frame or choice. Invite a response. The learner may pass.

Made by Matt

Humanities · GROW · Autumn 2 · Week 5 · HUM-GROW-A2-W05

First lesson back · once-only read

Check what pupils can show from the previous lesson and revisit it within the planned stage.

Use the supplied examples. Invite a response, give thinking time and allow a pass. Use only the learner’s own evidence.

Teacher answers · Arrival

Arrival · Supported

Point to the picture that matches the top one.

The lower left picture matches the top one.

Arrival · Supported

Which meaning fits festival?

A special period of celebration or remembrance

Arrival · Supported

What shared feature can the sources support?

The use of lights.

Arrival · Supported

Does the shared feature make the meanings identical?

No. Each account connects light to particular traditions.

Arrival · Independent

Point to the picture that matches the top one.

The lower left picture matches the top one.

Arrival · Independent

Which meaning fits festival?

A special period of celebration or remembrance

Made by Matt

Arrival · Independent

What shared feature can the sources support?

The use of lights.

Arrival · Independent

Does the shared feature make the meanings identical?

No. Each account connects light to particular traditions.

Arrival · Aspire

Point to the picture that matches the top one.

The lower left picture matches the top one.

Arrival · Aspire

Use festival in an accurate example.

A festival is a special time to celebrate or remember. In Card H, Hanukkah is a festival marked with eight lights and a helper light.

Arrival · Aspire

What shared feature can the sources support? Which detail supports your answer?

The use of lights. Card D describes Diwali lamps, and Card H describes the lights of a hanukkiah.

Arrival · Aspire

Does the shared feature make the meanings identical?

No. Each account connects light to particular traditions.

Made by Matt

Starter

Which card describes Diwali?

Card D.

Starter

Which card describes Hanukkah?

Card H.

Starter

What shared feature can the sources support?

Both accounts describe the use of lights.

Starter

Does a shared feature make the meanings identical?

No. Each account links light to its own traditions and meanings.

I do · 1

What shared feature can the sources support?

Both accounts describe the use of lights.

I do · 1

Which source helps us begin?

Use card D. D describes light as good overcoming evil or knowledge overcoming ignorance. H links lights to the Temple and the oil tradition.

Made by Matt

I do · 2

Which detail in the card can help with the question?

D describes light as good overcoming evil or knowledge overcoming ignorance. H links lights to the Temple and the oil tradition.

I do · 2

What does this clue help us say?

A feature can be shared while its meaning differs. Each account gives a specific example.

I do · 3

How could I explain the link?

Use “Both accounts describe lights. In card D… In card H…” to separate the comparison from each meaning.

I do · 3

How can I start my answer?

Both accounts describe ____. D explains ____. H explains ____.

I do · 4

Does a shared feature make the meanings identical?

No. Each account links light to its own traditions and meanings.

I do · 4

What is one limit to keep in mind?

One account cannot describe every person or household in a community.

Made by Matt

Teacher answers · We do

We do

Which feature belongs in both columns?

The use of light.

We do

Which source mentions good overcoming evil?

Card D.

We do

Which source links light to the oil tradition?

Card H.

We do

Which clue will you use?

D describes light as good overcoming evil or knowledge overcoming ignorance. H links lights to the Temple and the oil tradition.

We do

What is one limit?

One account cannot describe every person or household in a community.

We do decision checkpoint

Which choice fits the evidence?

A shared feature with different meanings.

Made by Matt

We do decision checkpoint

What evidence helps you decide?

D and H link light to different traditions.

Made by Matt

Teacher answers · You do

You do · Supported

Check the detail you used.

D describes light as good overcoming evil or knowledge overcoming ignorance. H links lights to the Temple and the oil tradition.

You do · Supported

Check your reason or limit.

A feature can be shared while its meaning differs. Each account gives a specific example. One account cannot describe every person or household in a community.

You do · Independent

Check the detail you used.

D describes light as good overcoming evil or knowledge overcoming ignorance. H links lights to the Temple and the oil tradition.

You do · Independent

Check your reason or limit.

A feature can be shared while its meaning differs. Each account gives a specific example. One account cannot describe every person or household in a community.

Humanities · GROW · Autumn 2 · Week 5 · HUM-GROW-A2-W05

TA Brief

Compare how two communities celebrate with an RE link.

Arrival regulation check: Green · Ready, Amber · Help, Red · Pause. Say the words as well as showing the colours. Invite a response and allow a pass.

Use the supplied examples. Invite a response, give thinking time and allow a pass. Use only the learner’s own evidence.

Return-to-learning route for this lesson: after a pause, rejoin Supported with cards D and H and one shared feature.

Optional: show one comparison and source clue to an adult. Hear one piece of feedback. Reply with a change, a reason to keep it or a request for help.

Use one route. Record only the pupil’s own response and the support given. Next lesson: Presenting belief and belonging.

Made by Matt

Humanities · GROW · Autumn 2 · Week 5 · HUM-GROW-A2-W05

Teaching script · Arrival including opening

Use one Arrival route. Let pupils match the picture before reading the other prompts. Give time to think and allow a pass. Arrival regulation check: Green · Ready, Amber · Help, Red · Pause. Say the words as well as showing the colours. Invite a response and allow a pass.

Made by Matt

Teaching script · Starter

Use the drawing to ask: Which card describes Diwali? Which card describes Hanukkah? Catch-up embedded this lesson: revisit one light example in Starter before comparing both accounts in We do.

Catch-up embedded this lesson: revisit one light example in Starter before comparing both accounts in We do.

Made by Matt

Teaching script · I do

Ask What shared feature can the sources support? Point to card D. Think aloud: Both accounts describe the use of lights. D describes light as good overcoming evil or knowledge overcoming ignorance. H links lights to the Temple and the oil tradition. Check: Does a shared feature make the meanings identical? No. Each account links light to its own traditions and meanings.

Made by Matt

Humanities · GROW · Autumn 2 · Week 5 · HUM-GROW-A2-W05

Teaching script · We do shared investigation

Sort source features into Diwali, Hanukkah or both. Test a claim that all celebrations involving light have the same meaning. Take a turn to suggest a match, then check the evidence. Ask for a clue. The use of light.

Made by Matt

Teaching script · We do decision checkpoint

Offer a private choice. Two accounts mention lamps. What does the evidence support? Reveal: A shared feature with different meanings. D and H link light to different traditions. Optional: show one comparison and source clue to an adult. Hear one piece of feedback. Reply with a change, a reason to keep it or a request for help. Mark R only after the pupil has responded to feedback with an adult.

Made by Matt

Humanities · GROW · Autumn 2 · Week 5 · HUM-GROW-A2-W05

Teaching script · You do

Select one route. Start in your book. Complete a comparison grid for D and H. Retain the learner’s own comparison and source clue and actual support used. Return-to-learning route for this lesson: after a pause, rejoin Supported with cards D and H and one shared feature.

Made by Matt

Teaching script · Review and improve

Check one evidence detail. A feature can be shared while its meaning differs. Each account gives a specific example. Ask for one improvement or reason to keep the detail.

Made by Matt

Teaching script · Exit ticket

Use the two exit questions. What shared feature can the sources support? Does a shared feature make the meanings identical? Accept accurate equivalents and plan the next prompt. At check-out, record E for … against the pupil's target.

Explain one idea in your own words.

What helped you most today, or what would you change next time?

Made by Matt
