Evidence cards D and H

D · Diwali

Many Hindus mark Diwali with lamps, worship and gatherings. Light can express good overcoming evil and knowledge overcoming ignorance. Practices and stories vary.

This Hindu explanation does not cover every Hindu practice or other religions’ observances.

H · Hanukkah

Hanukkah is a Jewish festival lasting eight nights. Lights recall the Temple’s rededication and the traditional account of oil lasting eight days. A hanukkiah has eight festival lights and a helper light.

This explains one Jewish religious perspective; not all Jewish households observe identically.

Evidence cards O and S

O · Objects and meanings

A diya is a small lamp associated with Diwali. A hanukkiah is used at Hanukkah. Ask before touching borrowed objects; use an unlit replica or a drawing.

This example does not describe every person or place.

S · One family’s celebration plan

Fictional Diwali plan: prepare a welcoming space; arrange unlit lamps with an adult; gather for worship; share food and greetings. This is one sequence, not a rule for every family.

This example does not describe every person or place.

Shared investigation

Assemble three points supported by source cards and a map. Practise answering a respectful evidence question. Take a turn to suggest a match, then check the evidence.

1. What are the three points to plan?
2. How can a listener check the example?
3. Which ways can you present?

Worked model

Ask the question

Use a map for a place and a source card to explain a practice or meaning. Use card D. Card D describes Diwali lights and gatherings. The neutral locator marks examples in Country A and Country B.

Find the evidence

Card D describes Diwali lights and gatherings. The neutral locator marks examples in Country A and Country B. A source label helps the listener check a detail. A place marker locates an example without making a claim about everyone there.

Explain the link

Plan one point about place, one about celebration and one about meaning. Link each point to a visual or card. My point is ____. Card ____ supports it because ____. My next change is ____.

Check what we know

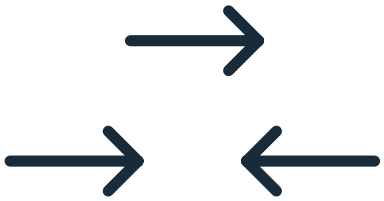

Keep one question response and one reflection or improvement. One account cannot show how all people in a country or community celebrate.
