Station support three

Thursday 5 November 2026 | 12:50–14:10 | Year A

Set up

P5: support mixed team C with the same planning task. P6: move to station D with the accepted Lesson 6 materials, id grow_community_cakesale_a2w1. These materials are referenced, not rebuilt or reproduced here. The teacher leads the shared goals and supports team C during P6.

Calendar and appointments

The current session is Thursday 5 November 2026. This order supersedes the earlier calendar attached to GCS-2_SEGMENT_D; it does not alter the accepted lesson content. Use short GROW appointments from 13:40 to 13:48 and 13:49 to 13:57. Keep at least one home pupil in each team. Return pupils promptly to their team cost check. Adjust the appointment order if a home team would empty.

What to look for

Support the existing Lesson 6 decisions only. Point to the accepted task and use its support route. Retain the learner's actual choice, reason and help. Do not introduce a second new task, food handling or heat. Do not claim that Lesson 6 or an award is complete.

What to record

Use the accepted evidence route and anonymous codes. Note the actual decision or pending check and actual support. Add only an authentic action to the Local Choice evidence line; keep [AWARD] and [QUAL] masked.

Prompt and finish

Point; short question; rephrase; frame or choice; model the first step only, then return the task. No cold calling. Allow pass or private response. Finish: an existing decision recorded or left pending, then return to the team budget pitch.
