White paper version | Same task and finish | Point, speak, draw, write or use a scribe.

P6 | Supported | Team ____ | My code ____

Planned full day: a full day next term (date to be confirmed). Ten pupils and four adults. Venue: the open-air museum. Owner handwritten venue name: _____.

1 Choose a practice call or an email draft. Use the shared card. Ask about our visit date and one thing we need to know.

2 Add travel, rest and lunch to the plan. Leave times blank if we do not know them. Mark adult to check.

3 Pick two kit items and one risk. Say how an adult can help. Keep your own idea clear.

Our draft question is _____.
Any reply is practice / not yet received. No venue reply is supplied.

Travel: leave ____; arrive ____; short stops/rests ____; lunch ____; return ____; back by ____. Unknowns: adult to check _____.

Kit item ____ helps with ____. Kit item ____ helps with ____.
Risk ____; action ____; adult check still needed ____.

Use the enquiry and travel card for the full script and plan. A practice call or unsent draft does not book the visit. No real call, message, payment or booking today.

Finish

Show one enquiry draft, a travel plan and a kit/risk list. Keep your own line or plan check. You can show it or share quietly. If you attend the mock-stall station, return to finish your own visit-planning part.

Planned full day: a full day next term (date to be confirmed). Ten pupils and four adults. Venue: the open-air museum. Owner handwritten venue name: _____.

1 Draft an enquiry as a practice call or unsent email. State the date and group size. Choose useful questions from the shared card.

2 Draft outward and return travel, stops, rests and lunch. Flag unknown times, access or costs for an adult check.

3 Add useful kit and link a risk to an action. Check the plan with your team and keep your own contribution.

Planned full day: a full day next term (date to be confirmed). Ten pupils and four adults. Venue: the open-air museum. Owner handwritten venue name: _____.

1 Prioritise the enquiry questions that could change the visit decision. Draft a clear call or email and explain your choice.

2 Work backwards from the owner's return-time limit, once known. Flag gaps in travel, access, supervision or costs.

3 Check a kit/risk action for practicality. Revise one weak point using feedback, while keeping unconfirmed arrangements open.
