Teacher and cover plan — Build the studio brief

Pathway: BASE · Week 4 Part 2 · Big question: How do we plan our relief panel with three clear choices?

Learning goals and studio kit

• Pick one frame shape (arch, tower, or bridge truss).

• Pick two surface textures from your Week 3 lab.

• Draw a neat plan map showing where each part will go.

Studio kit: Week 1-3 work samples, studio plan templates, frame shape cards, coloured pencils, black markers

Arrival and starter

Arrival: Look at your Week 3 texture squares. Which surface will you use in your big panel?

Starter question: Why does a maker draw a simple plan. First cutting up the big stiff board?

Teacher model (I do)

Step 1: Tick my three choices: I tick 'Arch shape', 'Foil + Ridged card',. 'Chrome + Black' on my brief box.

Step 2: Sketch the big frame: I draw my wide arch. Two side tall bars inside the plan box.

Step 3: Add two word labels: I draw a line from the arch to the word 'FOIL'. From the tall bars to 'RIDGES'.

Practice routes (Supported / Independent / Aspire)

Supported: Three choices circled and a clearly labelled plan drawing.

Independent: Fill in studio brief with layered drawing, colour key,. Three labels.

Aspire: Two thumbnails plus a fully labelled three-layer blueprint.

TA and cover notes

TA focus: Keep each pupil's Week 1-3 samples on their desk so they can point directly to the textures they want to include.

Staff prep: Staff preparation only: review a short walkthrough of turning texture samples into a labelled three-choice studio brief.
