Big question: How can we show one part of our artwork and say why we made it?

- Pick your best corner or mark on your self artwork.
- Use a pointer card to show that part to a small group.
- Say one clear short line: 'I made this part with... because...'

Essential vocabulary

- share: To show your work to others and talk about it.
- reason: Why you picked that shape, colour, or mark.
- pointer: A small card arrow that shows the part you mean.
- listen: To look quietly at the speaker's artwork. At the same time they talk.
- proud: Feeling pleased with the care you put into your work.

Three-step studio method

Step 1: Place the pointer arrow: I put my yellow card arrow pointing to the thick wax outline on my shield.

Step 2: Practise with the prompt strip: I touch the words on my strip: 'I used white wax. It works as it shines through the dark blue.'

Step 3: Show and say to the group: I hold my card steady, point to the arrow,. Say my short line clearly.
