Big question: How have my art marks grown stronger from Week 1 to Week 7?

• Lay your Week 1 grid next to your finished self piece. Log pages.

• Spot one way your marks got bolder or neater.

• Fill in your final review card naming your best tool. Next goal.

Essential vocabulary

• review: Looking back at all your work to see what you learnt.

• progress: How your art skills grew stronger over the weeks.

• choice: The marks and colours you picked for your piece.

• goal: One art skill you want to try next time.

• folder: Your neat pack of tests, log pages, and final art.

Three-step studio method

Step 1: Line up the work in order: I lay out my Week 1 grid on the left, my log pages in the middle,. My big piece on the right.

Step 2: Place two star stickers: I put one star on my clearest mark. One star on my neatest log note.

Step 3: Fill in the final review card: I write my best tool ('wax. Ink') and my next goal ('try mixing three tones').
