Tier pack: Aspire route — Visual maker study and response

Pathway: TRACK · Week 6 Part 1 · Big question: How can we analyse a visual maker's use of pattern and contrast, then create our own studio response?

Aspire route studio steps

Step 1: Complete a precision observational study in Box 1 dissecting how the practitioner balances figure and patterned ground.

Step 2: In box 2, synthesise the practitioner's counterchange or layering method with your Week 4 identity motif.

Step 3: Write a critical commentary evaluating how adopting this method changes the visual impact of your work.
