Tier pack: Aspire route — Present and sequence the studio portfolio

Pathway: TRACK · Week 7 Part 1 · Big question: How do we select, sequence, and annotate our studio studies to tell a clear story of artistic growth?

Aspire route studio steps

Step 1: Curate and double-mount your key developmental studies alongside your resolved identity piece.

Step 2: Write a front Curatorial foreword explaining the visual theme, palette rules, and technical progression across the seven weeks.

Step 3: Include comparative cross-references between your Week 2 skill trials, Week 6 maker response, and final outcome.

Success check

Double-mounted portfolio with curatorial foreword and cross-referenced technical annotations.

Make-it studio planner

Assemble your portfolio sequence and final synthesis statement.

Options: Stage 1: Media & skill trials, Stage 2: Composition blueprint, Stage 3: Maker study & response, Stage 4:

Resolved identity piece

Review checklist

[ ] Swap portfolios with a partner and check that every page sits in clear order with readable labels.

[ ] Give your partner one specific piece of praise on how their work progressed from Week 1 to Week 7.

[ ] Place your completed portfolio neatly in the collection tray.
