Wellbeing and taking part

Monday 30 November–Friday 4 December 2026 · one 40-minute lesson

Teaching date: _____ Teacher: _____

Exact scheme cells

GROW Weekly - Autumn!C85
World Mental Health Day, looking after my wellbeing.

GROW - Autumn!D13
Keeping safe, healthy & well

GROW - Autumn!I13
PSHE Association programme of study; [AWARD] [QUAL], '[QUAL]', '[QUAL]'.

GROW - Autumn!J13
F: scenario sorting. S: 'my trusted network' + safe/unsafe task (Dec).

The source assessment is retained. This lesson contributes evidence; it does not by itself complete an award. Public award labels are masked only.

Purpose and success checks

What could help me feel well and join in?

I can spot a barrier to taking part. I can choose a helpful change or support. I can explain one wellbeing step.

GROW-PSHE-W5-E1: An individual barrier/support match, a wellbeing step with reason, an available help route and a check of the learner’s chosen support.

Before pupils arrive

Print case cards and evidence sheets. Identify a quiet supervised option and available staff help. Offer simple visual steps and ordinary drawing materials; no disability simulation or diagnosis activity.

Offer processing time, a quiet start and the usual communication support. Capture each learner’s own work. Read the Staff Answers before teaching.

Calendar and continuity

Monday 30 November–Friday 4 December 2026. One lesson per week on this line. Owner correction: the original World Mental Health Day hook (10 October) is outside Autumn 2. The teaching hook is International Day of Persons with Disabilities, 3 December, within Week 5. Keep the exact source objective, unit, accreditation and assessment in the source record. Disability and mental ill health are not synonyms; teach wellbeing and inclusive access without diagnosis or simulation.

Staff enter the actual teaching date above. Continue the accepted prior-week evidence and support routines.

Forty minute sequence

Slide	Min	Action
1	0	Open title and big question before timing.
2	4	Private check-in, quiet start and support choice.
3	2	Read the diagram; hear one clue or question.
4	0	Read the displayed objective; explain the source wording and calendar note.
5	5	Model the six lines; explain the reason for each.
6	5	Ask for a hinge answer and reason; reteach if needed.
7	12	Use the six cards and the Supported/Independent/Aspire routes.
8	6	Complete the individual two-page evidence record.
9	4	Check ownership, support, response and next step.
10	2	Take a short quiet exit response.
11	0	Use the vocabulary mat throughout.
12	0	Hidden reference for adults.

Hinge and reteach

B. Listen to Jo and adapt the task so Jo can take part. Different support can give fair access. A ignores the barrier; C removes Jo’s voice. Reteach with a short instruction shown as a picture and words, then ask the learner which version helps.

Access and practice

Supported: choose from two support cards. Independent: explain a change and why. Aspire: check if the person finds it useful.

Read A–F and model A. Pupils choose a case, match a support and explain why. Invite a small wellbeing step and check whether the learner wants it. Keep personal requests private.

Begin evidence during practice and finish during capture. Accept speech, pointing, drawing, writing or usual AAC. Scribe exact words without supplying the assessed reason. No forced pair work or public performance.

Safe teaching evidence and learner voice

Boundaries

Use fictional cases, role labels and a pass. No pupil must disclose health needs or family circumstances. Do not imply disability is a problem to fix; address barriers and respect choice. Follow the local safeguarding route for real concerns.

Assessment and feedback

Credit a specific barrier, a feasible helpful change and a reason linked to participation or wellbeing. Ask the person what helps; do not diagnose. A fictional plan is valid practice and must be labelled as such. Staff check the actual help route privately.

Retain actual work, response mode and support. Use VF · WS · I · NS+ · // (self-edit) · ? (read back) · R (responded) · E (evidence in the school's evidence record). R requires Voice, Audience, an NS+ prompt and the learner’s response in the same colour, on the same page or usual mode. Record E only after evidence is banked. Blank forms and adult models are not completed learner evidence.

Lundy moments

Space: calm, accessible participation. Voice: a choice, reason or help request. Audience: the adult listens or reads and replies. Influence: record the support or next-step change made in response.

Speaking listening and writing

Describe a barrier, request a change and listen to the person’s response. The receiving teacher maps authentic responses to their own portfolio; no communication criteria are assigned here.

Reflection and provenance

Next teaching need: _____
Learner request and change made: _____
