Find places: countries, continents and oceans

Today I can… ☐ find the UK, India and Japan. ☐ link a country to its continent and ocean. ☐ say what a map can and cannot tell me.

Feedback: ☐ VF ☐ WS ☐ I ☐ NS ☐ E ☐ R ☐ [//] ☐ [?] _____

Teacher and cover plan

1. Lesson code, title and learning goal

HUM-GROW-A2-W01 · Find places: countries, continents and oceans
I can use a map and its index to locate places.

2. Kit, preparation and safety

This is map learning within belief, festivals and belonging. Discuss the supplied community example, not pupils' own beliefs, families or losses. A country does not have just one faith or one way to celebrate. Do not infer an individual's belief from a place marker. No religious participation is required. Prepare the locator map, place cards and three ocean labels from the complete specification below. A printed atlas may be an optional check, but the lesson needs no external page, link or app.

3. Stage timeline and staff moves

Stage / clock	Minutes	Staff move
Arrival 00 to 05 · KEEP	5	Read the map key and place cards aloud.
Starter 05 to 08	3	Pupils decide privately first; reveal together.
I do 08 to 14 · KEEP	6	Model with the UK.
We do 14 to 22 · KEEP	8	Use two minutes for the guided example, four for pupil choices and two for reasons.
You do 22 to 37 · KEEP	15	Two minutes to choose a route and set out the map/index/cards, eleven minutes to respond, final two minutes to review.
Exit ticket 37 to 40 · KEEP	3	Use one tier.

Total: 40 minutes. KEEP marks the stages to retain if time is short.

Teacher and cover plan · continued

4. Key answers

Supported	Standard	Stretch
Arrival 1. India. 2. A continent. 3. The Pacific Ocean. 4. W, the world locator. **Exit ticket** 1. C. 2. Indian Ocean. 3. No.	**Arrival** 1. A; pointing accurately is valid. 2. Asia. 3. Japan, marker C. 4. S; it shows named streets. This is map selection only. **Exit ticket** 1. C; Asia. 2. UK/Atlantic, India/Indian or Japan/Pacific. 3. It shows street and crossing detail the world locator lacks.	**Arrival** 1. India is B; the index links names to map markers. 2. UK: Europe. India: Asia. 3. Japan; card C names the Pacific Ocean. 4. World maps lack street detail; detailed street maps show crossings. **Exit ticket** 1. Both Asia; India/Indian Ocean, Japan/Pacific Ocean. 2. North-east. 3. No; people's beliefs differ. A country marker only locates a country.

Main check: 1 A; Europe; Atlantic.

5. Tiers and routes

Choose one Arrival and Exit tier: Supported, Standard or Stretch. Choose one You do route: Independent, Supported, Choice or Aspire. Staff mark I, S or C beside the response for actual independence, support or choice; Aspire is not automatic I.

6. Same-day evidence

The assigned adult files one chosen book item, optional photo or brief observation in the evidence app the same day, labelled HUM-GROW-A2-W01. Record the pupil's exact response, mode and actual prompt used; include only a relevant agreed outcome observation. A photo alone does not establish understanding.

7. Keep if time runs short

Keep Arrival, the key model, one guided example, the chosen route with its final review, and Exit. Shorten additional shared practice if needed.

8. No cold calling

No cold calling; nobody is asked to read difficult text aloud.

9. Prompt ladder for adults

1. Point to the relevant place / instruction.
2. Ask one short question: "What is it asking you to find?"
3. Rephrase the instruction in simpler language.
4. Provide a scaffold or limited choice.
5. Model the first step only, then return the task to the pupil.
