What can you spot on the path?

In your book: Give one short reply or mark. You may pass.

Method

Watch one step at a time.

I name the need: a card the person can read. The helper brings the asked-for version. The person chooses what works for them; I do not guess from how they look.

In your book: Keep one useful word or model step. Mark it Model. Do not copy the whole slide.

Case sources

Use the case detail. A made-up case is not a real person's story.

Made-up community hall: A group shares a room for a craft club. A person needs a clear path to reach the table. A box blocks it.

A helper asks the group to keep the path clear. An adult moves the box. Another person puts shared card where each member can reach it.

These acts meet needs in this case. People may show care in different ways. We do not ask about your home or family.
