

Knowledge Organiser (GROW W7): A visitor, and the evidence we keep

ASDAN Aut 1 · 2026–27 · Workbook outcome: Meet an employer/visitor and reflect (BHM aspiration).

Key Word	Definition
Watch me do it:	Watch me do it: I write my prediction. The visitor talks. I write one line they said that I did not expect. Then I write what I did in the session, because that is my contribution.
And the sign off:	And the sign off: I put the date on it and I say which challenge it is evidence for. Without those two things it is a nice note and not evidence.
Fixing one together:	Fixing one together: a note says the visitor talked about safety. We add the date, and we change it to say what I asked and what I wrote down. Now it counts.

Key Facts

- A job is more than the name of the job.

GROW ASDAN · Week 7 · A visitor, and the evidence we keep

We Do 1: Predict the first hour. Then check.

Question 1: what fills the first hour of their day?

Question 2: who else do they work with?

Question 3: what part of the job would surprise us?

We Do 2: Add the three things together

Everyone writes their three things on their own sheet at the same time, then we hold up the sheets together.

- 1) Read your record to a partner. They say back what you did.
- 2) Did they say what happened instead of what you did? Change one line. That change is your influence.
- 3) SPACE stays available. VOICE is received. AUDIENCE names back exactly. INFLUENCE changes one real next action.
