Stretch planning pack

Design and Technology LAUNCH Spring 1 Week 1 Thursday 7 January 2027 P1 Year A

I can plan one balanced meal, check its cost and explain my choices.

Core evidence: a completed meal plan with costs and your own one-line reason.

1. Complete the core plan and one-line reason first.

2. Cost a second version using two substitutions. Keep it within £2.00.

3. Compare cost, food groups, likely texture and practical demands.

4. Justify which version you would prepare. Include a limitation of invented portion prices.

Keep your own record

Use the meal plan headings in your book. Record dish, quantities, costs, total, money left and the balance reason. Keep the checked three-step method for next week.

Useful words

My meal has ___ from ___. It costs ___ and leaves ___. I chose ___ because ___.

Access route
