# Practical activity prompts

Design and Technology  LAUNCH  Spring 1 Week 2  Thursday 14 January 2027  P1  Year A

## 1 Check the plan

Find your Week 1 dish, quantities and method. The adult completes the checks from records and actual labels. Wait for GO.

## 2 Prepare with support

Use the pictures and step card. Complete or direct the agreed actions. Ask for prepared vegetables or adult handling where needed. Keep the station clean.

## 3 Stop for a change

An unchecked replacement ingredient is HOLD. Stop for the adult’s check. Protect the food and put tools down. Use only the approved ingredients and utensils.

## 4 Record the plate and process

Ask for the plate check. The adult may take a food-only photo. Keep a short actual record of safety actions, support, any change, and the storage decision.

## If the practical cannot run

With no safe food facilities, food or equipment, rehearse with empty hands or pictures. The pupil explains or directs the three steps and names a safety action at each point. Record this as planning or simulation, not preparation. Mark the practical and any plate photo pending. Rebook the practical when the adult can meet all safety requirements.
