OPENING RESILIENCE & CHANGE

Prepare our planned dish safely

I can follow my checked plan to prepare a simple dish and show safe working.

Weekly outcome

FOODWISE: prepare a 2-3 step dish safely.

Practical, supported handling or simulation. Record the actual route.

ARRIVAL 5 MINUTES

Our checked plan

Find your Week 1 plan and agreed method.

Wait for the adult’s GO before food is issued.

An unknown or incomplete safety check means HOLD.

After GO, wash and dry your hands.

STARTER 3 MINUTES

The three steps

1 Prepare the washed vegetables and fruit.

2 Mash the cooked ready-to-eat beans, then mix.

3 Fill and fold the wrap. Serve the sides.

Which action comes first? Use your actual checked plan.

I DO 5 MINUTES

A safe demonstration

Watch the agreed tool routine and the clean station.

An adult opens tins and removes sharp lids.

Use 20 g from one 60 g yoghurt portion in the filling.

Keep the remaining yoghurt for the side.

Prepared vegetables and adult tool handling are available.

WITHIN I DO ORIGINAL MODEL PICTURES

Prepare mix and assemble

1 Prepare vegetables

2 Mash and mix

3 Fill and fold

Original model pictures. Use the written quantities. These are not pupil evidence.

WE DO 7 MINUTES

Prepare together

Use step 1 with the agreed support.

Wash produce and prepare the vegetables.

Use the approved tools or direct the adult.

Keep your station and utensils clean.

WE DO 2 5 MINUTES

Stop and check

A new yoghurt appears. Its label has not been checked.

A Use it. B Ask a friend.

C Stop for the adult’s label check.

Which action makes continuing safe?

INDEPENDENT 8 MINUTES

My planned dish

Mash and mix the filling with the agreed amounts.

Fill and fold the wrap. Serve the sides.

Keep tools safe. Stop if anything changes.

Ask for the support you need.

WITHIN INDEPENDENT ONE ROUTE AT A TIME

Supported Standard or Stretch

Supported

Use one picture and step at a time.

Complete or direct the agreed action.

Name one hygiene action.

Record who did each action.

Standard

Follow your checked plan.

Check hygiene and safe tools.

Keep your actual plate record.

Explain one safe action.

Stretch

Complete the core practical first.

Explain one controlled safety risk.

Compare your dish with the plan.

Justify a change or next step.

REVIEW 4 MINUTES

The plate and clean station

Put tools down and ask for the plate check.

The adult may take a food-only photo.

Follow the adult’s serving or storage decision.

Clear, clean and wash hands.

WITHIN REVIEW PROCESS AND EVIDENCE

Safe working and an honest record

When	Safe action or evidence
Before	Adult GO. Clean hands and station. Checked ingredients.
During	Agreed tools and support. Stop and ask if anything changes.
After	Adult serving or 0–5°C storage decision. Clear and clean.
Photo	Adult only. Actual food only. No people, labels or identifying metadata.

Simulation means practical pending. Model pictures are never pupil evidence.
