Stretch design pack

Design and Technology LAUNCH Spring 1 Week 4 Thursday 28 January 2027 P1 Year A

I can choose fabric and a joining method for a pouch and explain how they suit its job.

1 Complete the core design decision first.

2 Compare all three fabrics and two joining methods.

3 Explain a trade-off between firmness, stretch, edge finish and safe making.

4 Justify a rejected option and a useful later test. Do not claim a test you have not done.

Keep your own decision

In your book: fabric ___. Property ___. Effect on the pouch ___. Joining method ___. Reason ___. Source actual sample / model information ___. A question or change ___. Support used ___.

Size and safety

Default: two pieces 100 mm by 120 mm, 10 mm seam lines inside left right and bottom, top open. Adult checks any revised design and future tools. No actual test or making is claimed from a model.

Plan in any language. Point, speak, sign or confirm an adult scribe’s words.
