Making activity prompts

Design and Technology LAUNCH Spring 1 Week 5 Thursday 4 February 2027 P1 Year A

1 Check the actual design

Find the fabric, purpose, dimensions and join agreed in Week 4. Ask the adult to clear tools and support. If a plan is missing, agree a new plan today and record that honestly.

2 Measure and mark

Use ruler zero. Mark and recheck two default 100 mm by 120 mm pieces. Mark the 10 mm seam guide on three sides. Wait for the adult’s approval before cutting.

3 Cut and join

Use the approved cutting method or direct adult handling. Align the pieces. Follow the demonstrated join and leave the top open. Keep fingers clear and thread flat.

4 Check and record

Return counted tools first. Measure the actual work. Record the join stage, a real correction, pupil actions, adult actions and next step.

No materials or approved tools

With no fabric or safe tools, use a paper model or empty-hand rehearsal. Mark imagined measurements, explain the cut line and trace the running stitch route. Record this as planning or simulation. Keep textile measuring, cutting and joining evidence pending until those actions happen on actual fabric with approved tools.
