Route Aspire

Learning outcome: Place key protest/rights events on a timeline (chronology).

1 Build and check your own five-event strip. Keep every date and event together.

2 Work out the gap in calendar years from 1918 to 1955. Does equal spacing on the strip show that real gap? Explain.

3 Test a new date pair from the same year: 2 July 1964 and 28 August 1964. Explain how months settle the order. These extra dates are date practice, not extra event cards.

Your own finish

In your book, make your own strip of all five events. Use the cut-out labels or write five date-and-event pairs. Put the earliest first. Check each pair against its card. Add one sentence: ____ comes before ____ because ____.

Frame: ____ comes before ____ because ____.

You may plan in any language. The adult can read or scribe your exact choice. Keep a note of the help used.
