Year mat for the five events

Friday 8 January 2027 | P2 | 40 minutes | Year A

Humanities | GROW | Spring 1 Week 1 | HUM-GROW-S1-W01

These years are mixed up. Read one year at a time. Find which year comes first, then which comes next. An adult can read the numbers while you choose. This mat helps with the numbers. Use the event cards to keep the full dates and titles together.

Mixed year	Check it against an event card
1964	E4
1918	E1
1965	E5
1955	E2
1963	E3

My year check

The smaller year comes earlier. Compare years before months. If two years match, check the month, then the day.

Use these five years to help make your own strip of five complete date-and-event pairs in your book. The mat does not show the correct order yet.
