Words that help

Respect and privacy online

Word	Meaning
privacy	Control over who sees personal information.
consent	A freely given agreement to something specific.
respect	Treating people and their choices with care.
report	Tell the right person or service about a concern.
source	Where a claim or information comes from.
share	Pass something to other people.
boundary	A limit about what we agree to.

A sentence I can use

I chose __ because __.
I checked __.
Please help me with __.

Ask an adult to read a word with you. You can point or use a word in your home language first.
