Words that help

My trusted adult network

Word	Meaning
trusted	Someone whose actions help us feel safe.
adult	A grown-up person.
network	People or routes we can turn to.
backup	Another option if the first is not there.
private	Shared only with people who need to know.
concern	Something that worries us.
support	Help that meets a need.

A sentence I can use

I chose __ because __.
I checked __.
Please help me with __.

Ask an adult to read a word with you. You can point or use a word in your home language first.
