# Digital footprint practice cards

Read or ask an adult to read. Staff may cut on the table lines.

| **Cards** | **Cards** |
|---|---|
| A<br>A photo shows a finished craft and a name badge on the table. | B<br>A draft gives a home address so people can collect a project. |
| C<br>A post shows another person’s work. They have not agreed to share it. | D<br>A post says: I learnt to sort kit by label. It shows only the writer’s own work. |
| E<br>A post is for friends only. One friend makes a copy. | F<br>A message asks for a password to help improve a job profile. |

What fact matters? What help or safer step would fit?

## A made-up profile review

All cards are made up. They are not real posts or profiles.

Start with cards A, D and E. Choose keep after checks, edit, or do not share.

Say what detail matters and who might see it.

Draft one safer post about a task or piece of work. Do not post it.

Check the background of a photo as well as its main subject.

If a case causes worry, ask for a private talk. You do not have to share your own story.

## Words I can use
