Portfolio guide and blank starters

Five-item check

CV; application; fictional-post review; practice interview record; enquiry draft. This is a teaching list, not a qualification file limit.

Index columns

Item | file or page reference | actual date/version | ready, draft or missing | next step.

If work is missing

Mark it missing. Ask staff to help you find it. If you start new work, use today’s real date. Do not claim that old work exists.

CV starter

Learner ID. Role I am exploring. One skill. A true task that shows it. What I did. One next step. Keep private details out.

Application starter

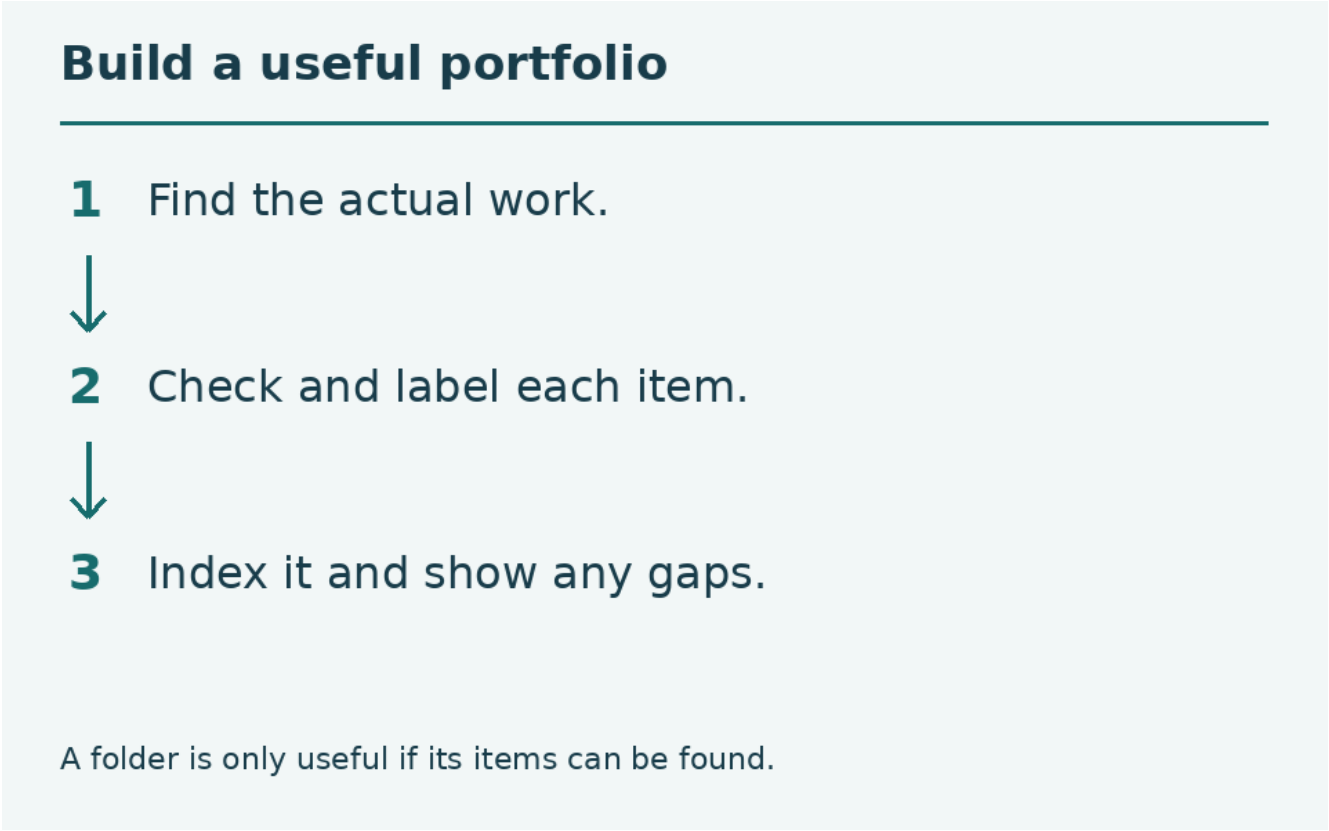

MADE-UP ROLE: stockroom assistant. Tasks: read labels, sort light items, check a short list and ask if unsure. This is classroom practice. No employer, vacancy or offer is real. Say why the role could fit, give one true example and name one thing you would ask about. This is an unfinished starter until the learner adds their own response.

Check together

Is this my work? Can I find it? Is the claim true? What help did I use? What is missing?

A visual guide

Actual work → clear label → honest index.

The diagram is a guide, not a record of your work. You can ask for a pause or private help.

Help card
Please read the words or show the step. I can point to what I mean. Please give me time to think. I can ask for a pause or private talk.
