Visual step cards

Year A | Autumn 2 Week 1 | 2 November 2026

I can save and find a file, and choose what to share.

Choose the place: Use the practice area that staff show you.

Make a folder: Make W01_Profiles inside ICT_Practice.

Save a clear name: Save the made-up profile as Profile_A_v1 or Profile_B_v1.

Check it opens: Close it. Find the folder. Open the file and check the text.

Use made-up details only. Ask staff before sharing a file.

Words for files and profiles

Year A | Autumn 2 Week 1 | 2 November 2026

file
Work saved with a name.

folder
A place to group files.

personal information
Details linked to a person.

audience
The people who can see or hear it.

version
A saved copy at one stage of your work.

access
Being able to open or use a file.

Use one word to explain your work.

Knowledge organiser

Year A | Autumn 2 Week 1 | 2 November 2026

I can save and find a file, and choose what to share.

I made a folder in the agreed place.

I used a clear file name.

I opened the saved file and checked my work.

I used only made-up details.

I gave a reason for leaving out one detail.

A folder name does not make a file private. Check who can open it. Use only the details that fit the purpose and audience.

Fictional profile cards

Year A | Autumn 2 Week 1 | 2 November 2026

Both profiles are made up. Use one to make an introduction for a hobby group. The group can see the introduction.

Profile A
Hobbies: Sketching and making models

I like to draw designs before I build.

Profile B
Hobbies: Music and solving puzzles

I like to learn a tune in small steps.

Choose what belongs in the introduction

Detail card	Keep for this task or leave out
Profile label	
General hobby	
Home address	
Contact number	
Full date of birth	
Account password	

I would leave out ... because ...

_____

These are detail types for sorting. Do not add real values.

Supported route

Year A | Autumn 2 Week 1 | 2 November 2026

I can save and find a file, and choose what to share.

1. Choose Profile A or Profile B.
2. Ask for one step at a time.
3. Make the folder using the step cards.
4. Type the profile label and one general hobby.
5. Save, close, find and open your file.
6. Say which detail you left out and why.

Check my work

[ ] I made a folder in the agreed place.

[ ] I used a clear file name.

[ ] I opened the saved file and checked my work.

[ ] I used only made-up details.

[ ] I gave a reason for leaving out one detail.

My reason for leaving a detail out

_____

You may point, speak, type or ask for exact scribing. Each person keeps their own file and check.

Independent route

Year A | Autumn 2 Week 1 | 2 November 2026

I can save and find a file, and choose what to share.

1. Make W01_Profiles inside ICT_Practice in the agreed place.
2. Write a short hobby profile using the made-up card.
3. Use a clear file name ending in v1.
4. Save, close, find and open your file.
5. Check the reopened text matches your work.
6. Explain why the group does not need one private detail.

Check my work

[ ] I made a folder in the agreed place.

[ ] I used a clear file name.

[ ] I opened the saved file and checked my work.

[ ] I used only made-up details.

[ ] I gave a reason for leaving out one detail.

My reason for leaving a detail out

_____

You may point, speak, type or ask for exact scribing. Each person keeps their own file and check.

Aspire route

Year A | Autumn 2 Week 1 | 2 November 2026

I can save and find a file, and choose what to share.

1. Complete the Independent task first.
2. Add a useful sentence for the hobby group.
3. Save a new copy with v2 in the name.
4. Keep the first version.
5. Open both files and explain what changed.
6. Explain how you would check who can see the file.

Check my work

[ ] I made a folder in the agreed place.

[ ] I used a clear file name.

[ ] I opened the saved file and checked my work.

[ ] I used only made-up details.

[ ] I gave a reason for leaving out one detail.

My reason for leaving a detail out

_____

You may point, speak, type or ask for exact scribing. Each person keeps their own file and check.
