Support adult brief

Year A | Autumn 2 Week 2 | 9 November 2026

Term theme: Identity & Belonging. Careers: using clear documents in office support work.

Aim: each pupil creates a title, two heading styles and two short paragraphs using fictional source facts.

Use source A or B only. Keep real personal details out.

Ask the pupil to sort the facts before typing.

Show the style control, then let the pupil choose.

Keep instructions short and allow time to act.

Read a paragraph back exactly if asked.

Switch shared-device roles after six minutes.

Check each pupil’s own saved and reopened file.

Record real prompts, adult typing and scribing.

At the exit, ask the pupil to show a heading and explain what it helps the reader find. Give one next step and hear the response. Paper work is rehearsal for the digital checks.
