Project task cards and skill mat

Match a task to a job. More than one match may fit. Say why your match works.

Task card	Project task
1	Weigh and mix a small cake batch.
2	Check the size and finish of each piece.
3	Greet staff and check their order.
4	Set out words and pictures for a poster.
5	Agree jobs and the time to set up.
6	Check the costs and sales record.
7	Explain our sale and ask for support.

Skills we can use in work

Choose two skills for your job. Use the job card to check. Find one of those skills in your own work.

Cue	Skill	What it means
	Using hands	Use your hands with care.
	Careful checks	Look at small parts. Check they are right.
	Teamwork	Do your part and work with others.
	Clear talk	Speak so the other person can follow.
	Maths	Use numbers and check a sum.
	Design	Set out words and pictures for a clear message.
	Customer care	Help people with care. Hear what they need.

My job needs __ and __.
I used __ when I __.
My work shows __ because __.

A task is a piece of work. A skill helps you do it. The same skill can help in more than one job.
