

Safe hands, safe kitchen

Autumn 1 · Lesson 1 · How can we make our kitchen ready?

Name (optional): _____ Date: _____

Show your ideas by writing, drawing, pointing or speaking. An adult can record your words.

1. My ready routine

Show or tell an adult. Tick only actions observed today.

- Hair/clothes safe and apron on.
- Hands washed with soap, rinsed and dried.
- Surface, board and tools checked.

2. Fix a hazard

Choose the next safe action for each situation.

- Touched nose before preparing fruit.
- Knife hidden in washing-up water.
- Used yoghurt spoon offered to someone avoiding milk.

My learning record

Lesson 1 · Continue your thinking

3. Explain a rule

Finish two sentences, or demonstrate and tell an adult.

- We wash hands because...
- We stop and ask about an unfamiliar ingredient because...

Useful words

hygiene: Actions that help keep food and equipment clean. / hazard: Something that could cause harm. / cross-contact: An allergen moving from one food or surface to another. / supervision: An adult checking and supporting the activity.

Make a snack and drink

Autumn 1 · Lesson 2 · How can we prepare a snack and drink as a team?

Name (optional): _____ Date: _____

Show your ideas by writing, drawing, pointing or speaking. An adult can record your words.

1. My make

Draw, label or dictate your snack and drink.

- Fruit pot ingredients: banana, mandarin, yoghurt.
- Separate oatcake.
- Cup of measured water.

2. Measure and check

Complete or point to the matching amount and tool.

- Yoghurt: 50 g or 50 ml? Scales or cup?
- Drinking water: 150 ml or 150 g? Measuring jug or plate?
- The dish is already on the scales. What do you press before adding food?

My learning record

Lesson 2 · Continue your thinking

3. Team process

Use today's work or the fictional example.

- Sam reads "50 g mandarin"; Jo adds it; Lee checks the display. What did each person do?
- Name one safe action and one next step from your work.

Useful words

assemble: Put prepared parts together. / portion: An amount served for one person or task.
/ measure: Find an amount using a tool and unit. / ingredient: A food used in a recipe.

Read it, make it

Autumn 1 · Lesson 3 · How can a recipe guide our work?

Name (optional): _____ Date: _____

Show your ideas by writing, drawing, pointing or speaking. An adult can record your words.

1. Read the recipe

Use this extract: “Measure 40 g chickpeas. Mash. Add 15 g soft cheese. Mix. Spread onto one tortilla.”

- Name two ingredients.
- Circle or say two action verbs.
- What happens after adding soft cheese?

2. My measures

Record or calculate.

- Chickpeas for one wrap: ____ g.
- Soft cheese for one wrap: ____ g.
- Chickpeas for two wraps: ____ g.
- Which tool measures these amounts?

My learning record

Lesson 3 · Continue your thinking

3. Order and evidence

Number these steps, then describe one checked action.

- Spread mixture on the tortilla.
- Measure and mash chickpeas.
- Fold the tortilla.
- Add soft cheese and mix.

Useful words

method: The ordered actions in a recipe. / instruction verb: An action word such as mash, mix or fold. / tare: Set the scales to zero with the container on them. / sequence: The order in which steps happen.

Judge it against the brief

Autumn 1 · Lesson 4 · How do we know our product does its job?

Name (optional): _____ Date: _____

Show your ideas by writing, drawing, pointing or speaking. An adult can record your words.

1. Find the brief checks

Underline, say or point to four checks in this fictional brief.

- Use agreed ingredients and a safe routine.
- Hold the filling inside.
- Be ready within 15 minutes.
- Cost no more than £1 in illustrative ingredients used.

2. Work out the cost

Use invented classroom figures only.

- Tortilla 25p; chickpeas 20p; cucumber 10p; soft cheese 15p.
- Total = ____ p.
- Compared with a £1 limit, there is ____ p remaining.
- Whole packs cost £5.70. Why is that different?

My learning record

Lesson 4 · Continue your thinking

3. Give an evidence-based verdict

Use Product B: 110p, filling spills, ready in 13 minutes, adult confirmed ingredient and routine checks.

- Which checks are met?
- Which are not yet met?
- State one improvement and what you would recheck.

Useful words

brief: The job a product must do. / criterion: One check in a brief. / evidence: Information that supports a judgement. / evaluate: Judge how well something meets the checks.

Exit check
