

River's digital identity - fictional classroom project

Editable classroom starter · Save a copy before editing

1. A safe introduction

Use only River's fictional display name and general interests. State this is a classroom simulation.

2. Interests

Describe River's general interest in drawing and model making. No photograph or identifying detail is needed.

3. Digital skills

Describe two actual file-editing/checking actions used today or in this unit.

Data and safer choices

Complete the fictional project

4. What the data says

Insert your checked Week 5 chart or GROW_Club_Votes_Chart.png. Resize without stretching, add a factual caption and give an accurate numerical comparison. State the data is fictional.

5. Safer choices

Write a practical response to a password/prize message and explain one limit of private accounts or deleting posts.
