Tool safety and hygiene card

Pink supported edition

Using gardening tools safely.

Get ready

The adult checks tools and the work area.
Cover cuts. Wear suitable footwear and gloves.
Stop if a tool is damaged.

Carry safely

Walk. Keep tools low and away from others.
Keep a clear gap. Park tools before moving jobs.
Carry secateurs closed and locked.

Tool safety and hygiene card continued

Pink supported edition

Use and clean

Use the tool for its job.
Keep your free hand clear.
The adult controls sharp blades and cutting.
Use a brush on blunt tools. Wipe and dry.

Store and wash

Store tools in the agreed dry place.
Keep the route clear. No tasting or blowing soil.
Wash hands with soap and water, even after gloves.
Park tools and tell the adult before a pause.
