Safe use knowledge card

Pink supported edition

Using gardening tools safely.

Choose the tool

Hand trowel: scoop medium into a pot.
Hand fork: an agreed empty area only.
Keep the fork away from seedlings and roots.

Watering can: water gently only if needed.
Gloves help protect skin.
Gloves do not make blades safe.

Use safely

Walk with tools low and ends down.
Keep your free hand clear.
Park tools before changing jobs.

Safe use knowledge card continued

Pink supported edition

Adult checks first

Move a plant only if ready and needed.
Keep its root ball intact.
Leave tangled roots and ask.

Practise with an empty pot if needed.
Record that as practice.

Finish

Brush soil off blunt tools. Wipe and dry.
The adult cleans sharp blades.
Store tools and wash hands with soap and water.

Keep the tray code and earlier growth records.
Add only real Week 3 observations.
