Word page

I can show one fact.

I can show what I used to find it.

I can name one next step.

Word	It means	Example
skeleton	bones that help hold a body up	I point to the bone model.
nutrition	what a body gets from food to grow and stay well	An animal gets nutrition from food.
rock	a solid thing from the ground	I can test a safe rock.
evidence	what you saw or did that helps show a claim	My rock sort shows my rule.

Use a real model or real work. Point to what it shows. Keep your first words.
