Following Instructions and Routines

Aspire task

Point, speak, sign, draw, write or choose. You may pass.

In your book, keep your card model or draw it. Number the steps. Record one check and any help used.

Follow all four steps with fewer prompts. Test the model with one cup missing. Find and explain the error before you fix it.

Optional make it: Make a spot-the-error pair of tray plans.

I can explain which instruction a change must follow.
