Complete a Supported Vocational Task

Aspire task

Point, speak, sign, draw, write or choose. You may pass.

In your book, keep the plan, a record of the finish and your review. Say what help you used. Label a paper task as rehearsal. Record the adult-led kit task when it is completed.

Complete the task with fewer content prompts. Compare the finish with every part of the brief. Explain one change that would improve it. For the real task, set out the checked garden kit with the adult, tidy and review. Use the paper route if needed.

Optional make it: Make a quality check tag for the finished station.

I can judge the finish using the brief and name a next step.
