Today I can

I can explain my contribution and a choice.

I can share with an agreed audience.

I can record a response and a real next step.

Words for this lesson

audience: The person or people you choose to share with.

feedback: A specific response that can help your next choice.

source: The actual item or record you are explaining.

reflection: Your thoughts about what you did and what comes next.

Working safely

Use a made-up story. Keep your own space. Stop on the open hand. You can sit, stay silent or direct. You may share with just the adult.
